ABOUT HFCSS

Healthier Future Consulting Services & Sales (HFCSS) is a niche consulting firm specializing in assessing Organizational Culture Climate in (Workplace) Environments. With over thirty years of experience working in several levels of government, federal, state and county, we have a wide range of human resources knowledge. Fifteen years experience was working in human resources: personnel, supervision, classification & compliance. HFCSS can provide an Organization Cultural Assessment and make recommendations for your organization's transition to 21st Century truly "outside the box thinking" to identifying metrics (sleeping issues/morale killers), and introduce relationship building principles that provide the "how to", engage the full potential of all Employees and potential new hires.

HFCSS offers 21st Century Value-added, servant-leadership principled, leadership development opportunities for creating a respectful environment, safety and crucial dialogue around conflict issues. HFCSS offers insight on incorporating accountability and measurable metrics and controls for transitioning to a full-spectrum thinking organization.
